## PWS Arch Order Form

Do not use - photocopy and keep original for future use

We require TWO measurements:

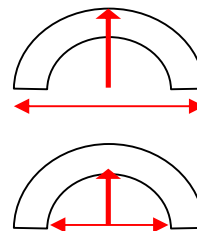

There are two types of arches that require either O.D. (outside diameter) or I.D. (inside diameter)  
 Specifying the wrong type will result in incorrect manufacture.  
 As arches are all custom - this will result in double payment.

Parapet arch requiring an O.D.

Window arch requiring an I.D.
